LETTER DATED 21 APRIL 1994 FROM THE PRESIDENT OF THE SECURITY COUNCIL ADDRESSED TO THE SECRETARY-GENERAL

I received earlier this month a letter from the Permanent Representative of Mozambique requesting the assistance of the Security Council in the appointment of the international members of the Mozambique Electoral Tribunal as provided for in the Mozambique Electoral Law. The letter advised that the Electoral Law provides that the international members of the tribunal shall be appointed by you on the recommendation of the Security Council.

Ambassador Afonso also called on me and explained that it was the view of his Government that the best assistance that the Security Council could provide on this matter would be for it to forward to you a list of potential candidates from which you could make your selection.

The members of the Council considered this request and agreed that they should facilitate the Mozambique electoral process to the extent they were able. Council members undertook to consider a number of potential candidates and to submit to you such names as they considered appropriate.

Following their consideration of the matter, the members of the Council have asked me to forward to you the attached list of names of persons from which you might wish to choose three persons who would be suitable for appointment as international members of the Mozambique Electoral Tribunal.

(Signed) Colin R. KEATING
President of the Security Council
